

Calling Mickleton residents...

Homes, landscape, livelihoods
- a legacy we build together.

Join a public meeting on Tuesday 8 September, 6pm - 7.30pm at King George's Hall to discuss proposed strategic site development near Mickleton as part of Cotswold District Council's Local Plan.

The meetings are for residents to attend, learn more about the plan and ask questions before making formal comments during the six-week consultation running from **24 August to 5 October 2026**.

Residents are invited to have their say during the consultation before the plan is submitted for independent examination. The consultation will include public exhibitions and community meetings enabling residents to ask questions before making formal comments.

Our proposed Local Plan puts infrastructure at the heart of growth, delivering affordable homes, protecting the Cotswolds National Landscape, and helping create healthy, sustainable communities for future generations.
